  5. The pet may remain alone in the room, as long as it does not cause inconvenience or annoyance to the rest of the clients staying in the hotel (barking, crying...), as well as damage to the furniture in the room and in the same way it must maintain a proper hygiene. The animals will only use tools designed for animal feeding.
  6. Animals will be prevented from being left alone in the room, but if this circumstance occurs at specific times, it must be notified by hanging the sign that we will provide you with PET IN THE ROOM.
  7. The animal may, along with its owner, move around the hotel as long as it is on a leash or is in its carrier and controlled by its owner, and may only be in the areas reserved for them. Consult with responsible personnel.

  12. The guest and owner is responsible for their animal during their stay, ensuring that it does not affect the rest of other guests or interrupt the operations of the establishment itself. You must be liable without limitation for any damage or harm that may be caused during your stay, including, but not limited to, users, hotel workers and other people.
